

LAST WEEK'S RECAP

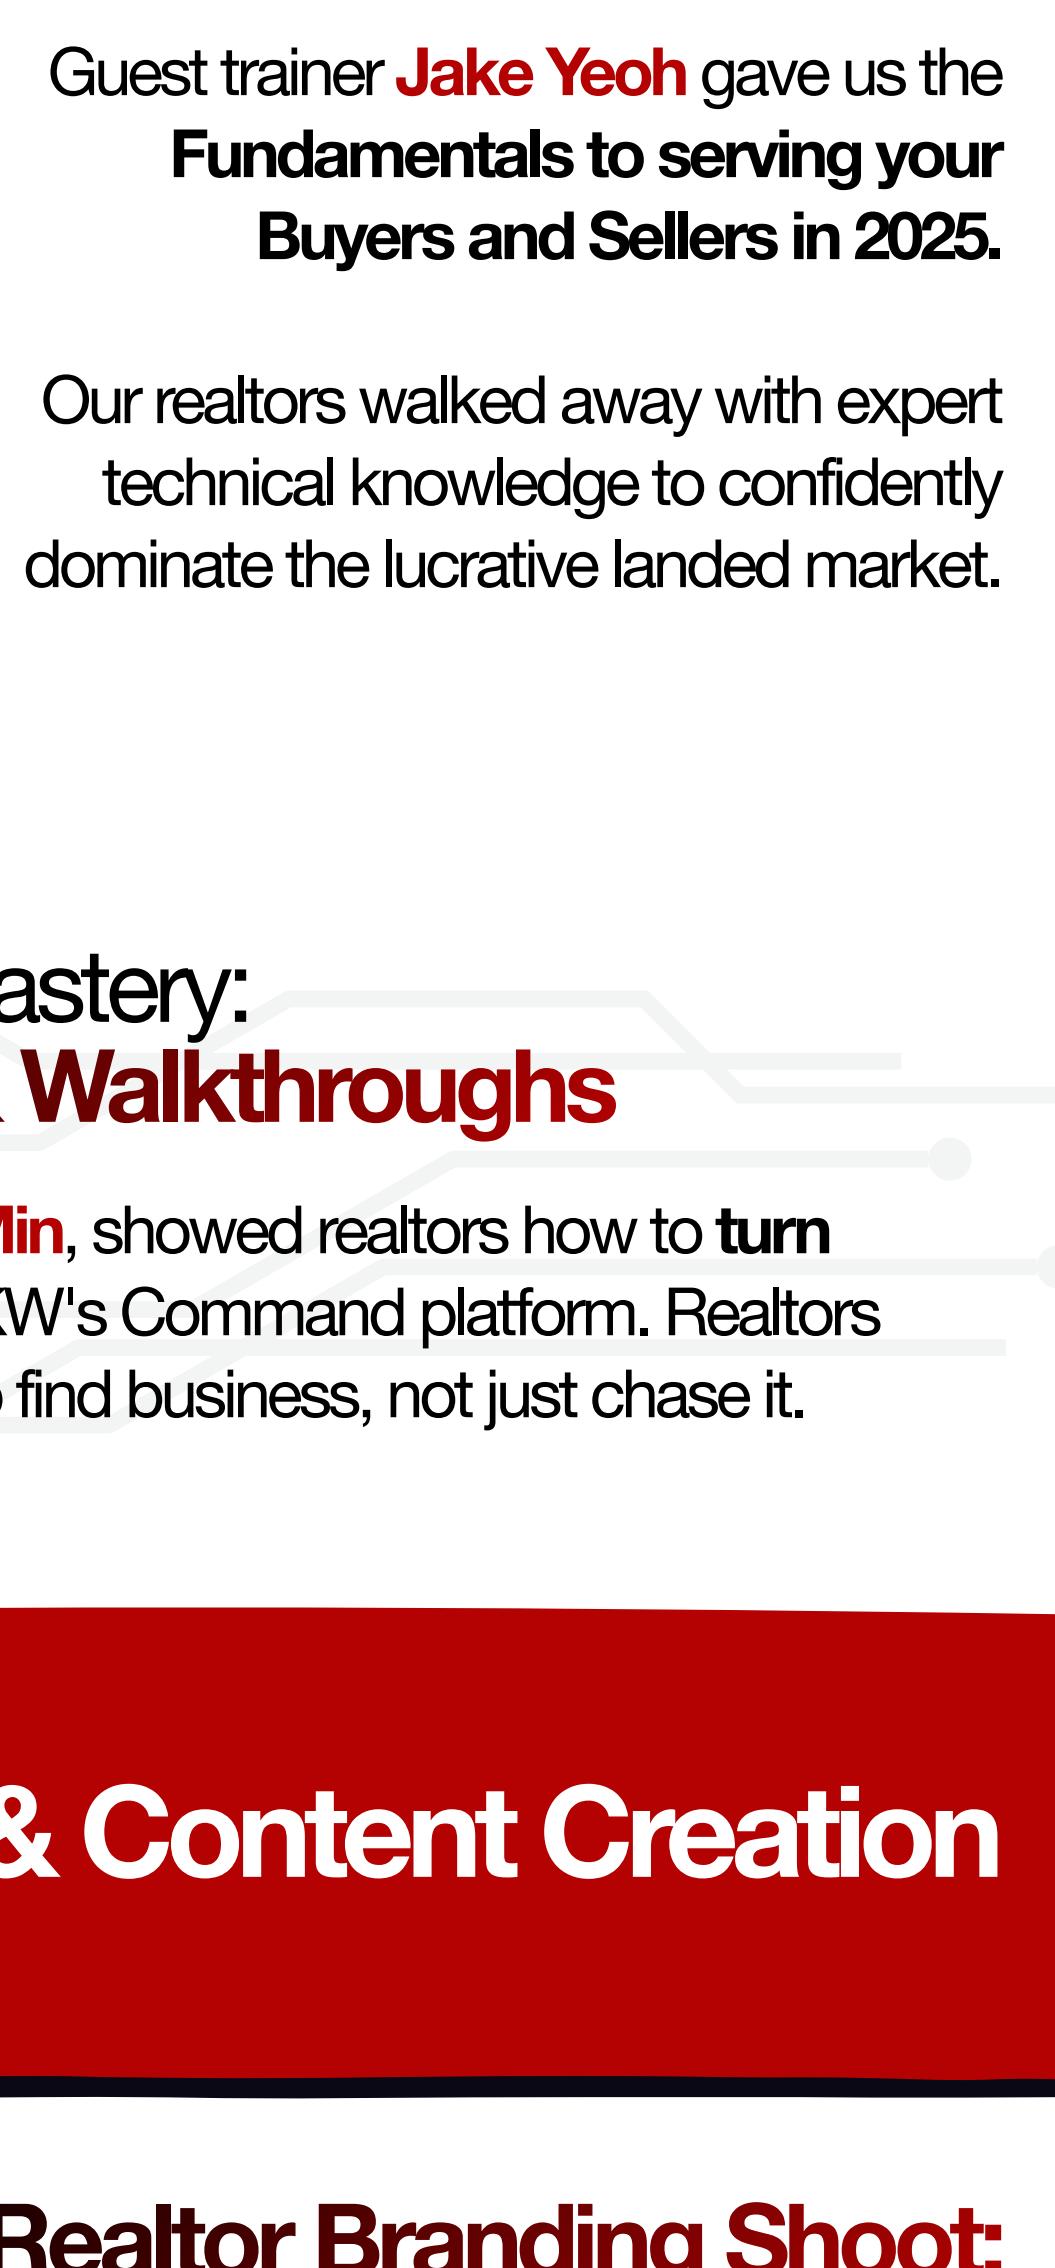

November 17 - 21, 2025

Mastery Training Sessions:

Exclusive KW Advantage

Multiplier Training Series:
The Expert Frameworks

- **Alex Deven** shattered the 'Beyond the First Sale' ceiling, providing a complete framework for guiding clients through high-value asset progression.
- **Ong Yu Rong** delivered **The Investor Blueprint: Module 2**, drilling down on consultative pitches that help buyers make confident, data-backed decisions.

Guest Training: Landed Mastery

Guest trainer **Jake Yeoh** gave us the **Fundamentals to serving your Buyers and Sellers in 2025.**

Our realtors walked away with expert technical knowledge to confidently dominate the lucrative landed market.

Tech Mastery: Opportunities & Walkthroughs

Our Regional Tech Trainer, **Siew Min**, showed realtors how to **turn contacts into commission** using KW's Command platform. Realtors are now leveraging technology to find business, not just chase it.

Media & Content Creation

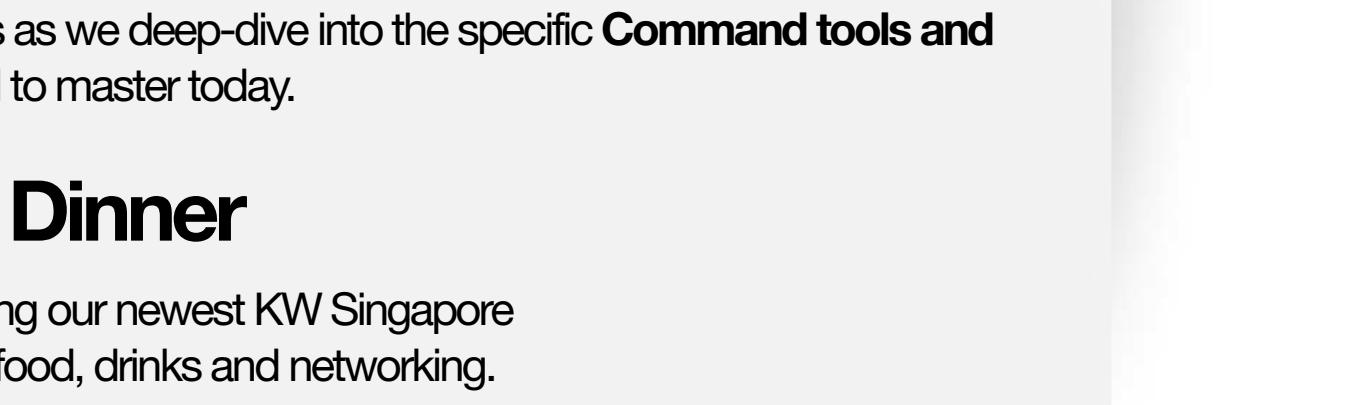

KW Realtor Branding Shoot:

Our realtors stepped in front of the camera to cultivate a strong online presence. They walked out equipped

with professional headshots, their own **1-minute Branding Video**, and ready-to-use **Social Media**

Trending Content designed to build immediate

credibility and enhance visibility with clients.

KW Weekly News Podcast Shoot:

We captured the inside scoop! This new podcast series keeps our realtors informed and ahead of the curve with bite-sized insights on **market shifts, policy updates, and the trends that truly matter** in our world of real estate.

Meet the Consultants Series Shoot:

We filmed some episodes for our spotlight series, showcasing the faces in KW Singapore.

These consultants shared their strategies, digital influence tips, and what drives them to redefine real estate in Singapore's new era.
